Our school day begins at 8:30 a.m. and ends at 3:15 p.m. with end of the day prayer and announcements. If your child or children arrive after 8:30 a.m. he or she will need to sign in at the school office and receive a slip to be admitted into their classroom. They will also need a note explaining their tardiness. If your child leaves before 3:15 p.m., he or she will also need to sign out in the office and someone designated to pick them up must do so in the office. No children will be permitted to wait outside. Tardiness is checked each day.

The State of Pennsylvania requires all students' absences and reasons for their absences to be documented. The excuse should contain the student's full name, date(s) or absence, reason for the absence and Parent/Guardian signature. Without this note, an illegal absence must be recorded on our official documents. A child will be marked absent if she/he misses more than two hours of either session, morning or afternoon. If a student has a medical or dental appointment, a note to that effect must be submitted. ***There is a Diocesan Policy for Chronic Absenteeism.**

Tuition Payments, Registration and FACTS Tuition Plan

Tuition Contracts and Registration-Technology fees of \$100.00 per student grades K-8 and \$50.00 per student

End of Day Messages

We do ask that any changes to a student's normal method of departure be sent, in writing, to his or her teacher in the morning. While we understand that there are times when circumstances change and you must get a message to your child at the end of the day, a large volume of these messages creates confusion. The office phone is not to be used by students for non-emergency calls.

One Call Now – Parent Communication System

St. Gregory School uses a Parent Broadcast System through One Call Now. Please make sure that your current phone numbers are on file to receive important messages and reminders as well as school cancellations and delays. If you would like to opt in to receive text message alerts, please **text the word Alert to 22300**

Snow Days

We do observe the same snow days as the North East School District. If North East is closed or delayed then St. Greg's will be closed or delayed. A Parent Broadcast through OneCall Now will be sent to the phone numbers you have provided. Closings and delays will also be posted on local television networks.

First Week Apparel

Uniforms must be worn by all students in grades K-8.

A copy of the Uniform Policy is in your family calendar.

Preschool and Pre-kindergarten students do not have to wear uniforms. However, we ask that they do not wear open-toed shoes and that they wear socks.

Spirit Wear form to order school sweatshirts and other clothing will be sent home in the Thursday Folder on August 29th. They will be due back to the school on Friday, September 6th.

Students will be going outside daily. Please make sure they are dressed for the weather.

Visitor Sign In

All Non-Essential Visitors are not permitted to be in the building.

All entrances to the school are locked throughout the day for safety and security reasons. Please ring the buzzer located by the front main entrance and wait to be buzzed in.

Anyone who enters the building during the school day **must check in** with the office and wear a "Visitor" badge or sticker. This is not only for the safety of our students, but enables us to locate you in case of emergency.

Emergency Forms

Please fill out the 2024-2025 family emergency form **in its entirety**. This information is vital for use during the school year and will be taken along when your child(ren) are out on field trips. All phone numbers (home, work and cell) should always be kept current. Also, please make sure to include the names of any and all people that have your permission to pick up your child(ren) from school. These forms need to be updated annually.

Nurse's Notes:

The School Health Law requires medical examinations for children on original entry (Kinder) into school and in Grades 6 and 11. It also requires dental examinations upon original entry (Kinder) into school and in grades 3 and 7. These grades were selected because they represent critical periods of growth and development in a child's life.

We recommend that these examinations be done by your family physician and dentist since they can best evaluate your child's health and assist you in obtaining necessary treatments and corrections. This would be done at your expense.

Forms for these examinations are available in the school office and must be turned in by **September 3rd**; otherwise your child will be scheduled for examination by the school.

Newsletters

Newsletters will be posted monthly on the school website (www.stgregs.net). We will also e-mail it to you. If you do not have an internet connection, please notify the school office for a paper copy.

Thursday Folders

Most communication from school will be email or class dojo so please make sure you have your email on file in the office and the ClassDojo App set up on your phone.

All completed student work, school flyers and other miscellaneous papers will be sent home each Thursday with your child in their "Thursday Folder". Folders are to be returned signed the following day.

Fundraising

Football Lottery

If you haven't received your required 30 tickets yet to sell, please stop into the school office. Ticket stubs and money are to be turned in by September 9th. We will run the lottery as usual. In the event the season is canceled, there will be a weekly drawing of 4 tickets for the payout. Those tickets will go back into the pool for future drawings.

Auction

The annual "Crusade for Kids" auction date is Saturday, April 26, 2025.

There is an Early Procurement Buyout Option of \$400.00 if paid by September 16, 2024.

All Payments to SGPS

We ask that all payments for **different** things such as milk, pizza, hot lunch, etc., that are combined into one check be noted on your check so that proper credit can be given.

Medication

All Medicine that students take during the school day will need the proper forms filled out. These forms are available in the school office.

You must also include a signed note stating that you will allow your child to have such medication. All medication will be kept in the nurse's cabinet and should never be kept in the child's possession with the exception of inhalers. Teachers will keep all Epi pens for Bee Stings.

***Any child with a fever or elevated temp over 100.4 must stay home. The office will not be distributing over the counter medicines.**

Wellness Policy

STUDENT RECORD POLICY
Notification of Rights under FERPA for Elementary and Secondary Schools

In order to operate our educational program, we must keep records of the objective information that parents and eighteen year old and older students give us permission to acquire. The following statement constitutes our *"annual notification of rights"* disclosure to these parents.

The *Family Educational Rights and Privacy Act* (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including intermediate unit staff, health or medical staff and law enforcement unit personnel); a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school in which a student seeks or intends to enroll. It is the policy of the school to not release directory information except as specified in the above statements or without providing parents an opportunity to deny such releases.

A school/system may disclose Personally Identifiable Information (PII) from the education records of a student without obtaining prior written consent of the parents or the eligible students to appropriate officials in connection with a health or safety emergency, subject to CFR § 99.31(a)(10), § 99.36.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
Family Policy Compliance Office, US Department of Education,
600 Independence Ave., SW Washington DC 20202-4605.

RELEASE OF DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that schools, with certain exceptions, obtain written consent from parents/guardians prior to the disclosure of personally identifiable information from their child's education records. However, schools may disclose appropriately designated "directory information" without written consent, unless parents/guardians have advised the school to the contrary. The primary purpose of directory information is to allow the school to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require schools receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the school that they do not want their student's information disclosed without their prior written consent.

If a parent does not want the school to disclose directory information from his/her child's education records without his/her prior written consent, he/she must notify the school in writing by September 15th. The following information has been designated as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major Field of study
- Dates of attendance
- Grade level
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Participation in officially recognized activities and sports
 - Weight and height of members of athletic teams
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)

These laws are: Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908) and 10 U.S.C. § 503 (c)

St. Gregory School Volunteer Requirements 2024-2025

Volunteer Clearances

Hello!

Thank you for your interest in volunteering at St. Gregory School. We hope you will find the answers to any questions you may have about volunteering here.

As St. Gregory School strives to ensure a safe environment for all our students, we created this page to review the requirements that are **mandatory** for all our volunteers. There has been some confusion related to the volunteer requirements, so we want to clarify what is required for our St. Gregory school volunteers.

In the past, we utilized the *Occasional Volunteer* requirements for someone who volunteered once per month or less in the school. However, this did not take into account the *type of contact* the volunteer would have with our children. Because of the nature of the volunteering opportunities in our schools, it is almost impossible to ensure that a volunteer does not provide “care, supervision, guidance or control of children and routinely interact with them.” Such contact with our students is considered “direct volunteer contact” and falls under the definition of a *Regular Volunteer*, not an *Occasional Volunteer*. To better protect our volunteers and our students, it is necessary that we acknowledge the direct volunteer contact that occurs in our buildings, and to require all of our volunteers to fulfill the *Regular Volunteer* requirements going forward.

If you still have questions after reading through this page, feel free to reach out to our school's office at 814-725-4571.

Frequently Asked Questions (FAQ)

This is my first time volunteering. What do I need?

Please see above for the list of clearances for regular volunteers.

I only volunteer two or three times a year and have always been considered an Occasional Volunteer. Why do I have to get the extra items required as a Regular Volunteer?

In the past, parents, guardians and friends of the school have often registered and obtained the clearances for an Occasional Volunteer. Our first priority remains the safety of our children. The additional safeguards required of Regular Volunteers are required by the state and the Diocese to help screen out any potential risk to our children. We support any such measure that increases the safety of our children. St. Gregory School is also concerned about the protection of the volunteers themselves as well as having a heightened awareness of the legal responsibilities of the School System. As noted above, it is our experience that nearly all our volunteers may be put into situations where they provide for the “care, supervision, guidance or control of children” and routinely interact with them.

If engaged as an Occasional Volunteer, many people are not aware of the limitations it brings. It happens very quickly that they may be asked to supervise a child or to accompany them outside the presence of a regular volunteer or school staff, e.g., for a trip to the bathroom. It is difficult to distinguish Occasional Volunteers from Regular Volunteers. Finally, having a two-tiered volunteer system where some volunteers can help only in certain capacities or having to deny someone’s assistance because they don’t have the necessary clearances can cause hurt and misunderstanding.

Therefore, St. Gregory School now requires registering and obtaining the clearances as a Regular Volunteer to help in our schools.

Are chaperones for field trips required to have clearances?

Yes. Chaperones are considered regular volunteers and must have all documentation necessary for that classification.

Are parents attending weekly mass required to have clearances?

If the parent is attending mass, No. However, if the parent will be taking on a role of supervision with the students, then Yes, clearances would be required.

What are the requirements when parents are asked to transport students?

The driver must:

- be at least 21 years old,
- complete the Regular Volunteer Clearances, and
- complete the diocesan [*Volunteer Driving Information Sheet*](#).

Additionally, if it is an official school function—parents must have their own child in the vehicle with other children OR they must have another adult in the vehicle when none of the children are their own. (This is not the same as a coach driving school van to competitions.)

What is the difference between a Volunteer and a School Visitor?

School visitors are non-recurring visitors that are never to be unaccompanied in the school building or classroom or during a school event; school personnel must always be present. Some examples are Service Workers, Assembly Presenters, Classroom Guest Presenter, Classroom Guest reader and Parents or Guardians sharing a Birthday Lunch with their child. Visitors should never be in a position of care, supervision, guidance or control of children.

**DIOCESE OF ERIE
CATHOLIC MISSION
MEMORANDUM OF UNDERSTANDING**

As a parent/guardian of a student in a Catholic School, I understand, affirm and support the following:

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teachings of the Catholic Church.
2. Catholic schools are distinctive religious educational institutions operated as programs of the Catholic Church; they are not private schools but are administered and supported by the sponsoring parish(es), the diocese or religious community.
3. Attending a Catholic school is a privilege not a right.
4. While academic excellence and involvement in extracurricular activities (i.e., sports, clubs, etc.) are important, fidelity to the Catholic identity of the school is the fundamental priority.
5. The school and its administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school's life and activity.
6. In all questions involving faith, morals, faith teaching and Church law, the final determination rests with the diocesan Bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I accept this memorandum of understanding. I pledge support for the Catholic identity and mission of this school and, by enrolling my child, I commit myself to uphold all the principles and policies that govern a Catholic school.

Dear Parents:

St. Gregory School participates in several Federal programs that provide your children with a variety of materials and services. It is one of the few ways in which your children receive benefits from your tax dollars. We certainly do not want to lose these benefits. Please review the enclosed survey and simply answer Yes or No to the questions. This information is very important in order for us to continue receiving support from these programs. It is required before we can receive Federal dollars. All information will be kept confidential.

It is important that we receive a survey back from every school family.

Please return the attached form by **August 30, 2024.** Don't hesitate to call if you have any questions about the survey.

Thank you for your assistance!

Sincerely,
